

Nasara 8D Wellness

Advanced Frequency Health

BRING THE POWER OF FREQUENCY WELLNESS TO YOUR PRACTICE

Introduce the QiLife Full Frequency System — an innovative wellness technology designed to complement your existing services and create a new, high-value wellness experience for your clients.

Ideal for Chiropractors • Wellness Centers • Health Clubs • Physical Therapy & Pain Management Centers

Qi Coil is a non-invasive frequency wellness system integrating eight complementary technologies for personal, practitioner, and whole-room applications. The QiLife platform delivers guided frequency programs, while compatible Qi Coil hardware creates an immersive, field-based Coil Mode experience—providing an innovative wellness solution that can complement and expand your existing services.

Add a new wellness service to your existing practice, using an established frequency technology platform, with a model designed around client sessions and recurring revenue
